

§ 146.42 Nonprivileged foreign status.

All of the following will have the status of nonprivileged foreign merchandise:

(a) *Foreign merchandise.* Foreign merchandise properly in a zone which does not have the status of privileged foreign merchandise or of zone-restricted merchandise;

(b) *Waste.* Waste recovered from any manipulation or manufacture of privileged foreign merchandise in a zone; and

(c) *Certain domestic merchandise.* Domestic merchandise in a zone, which by reason of noncompliance with the regulations in this part has lost its identity as domestic merchandise, will be treated as foreign merchandise. Any domestic merchandise will be considered to have lost its identity if the port director determines that it cannot be identified positively by a Customs officer as domestic merchandise on the basis of an examination of the articles or consideration of any proof that may be submitted promptly by a party-in-interest.

§ 146.43 Domestic status.

(a) *General.* Domestic status may be granted to merchandise:

(1) The growth, product, or manufacture of the U.S. on which all internal-revenue taxes, if applicable, have been paid;

(2) Previously imported and on which duty and tax has been paid; or

(3) Previously entered free of duty and tax.

(b) *Application.* No application or permit is required for the admission of domestic status merchandise, including domestic packing and repair material, to a zone, except upon order of the Commissioner of Customs. No application or permit is required for the manipulation, manufacture, exhibition, destruction, or transfer to Customs territory of domestic status merchandise, including packing and repair materials, except: (1) When it is mixed or combined with merchandise in another zone status, or (2) upon order of the Commissioner of Customs. When the Commissioner orders a permit to be required for domestic status merchandise, he may also order the procedures,

forms, and terms under which the permit will be received and processed.

(c) *Return of merchandise of Customs territory.* Upon compliance with the provisions of this section, any of the merchandise specified in paragraph (a) of this section, may subsequently be returned to Customs territory free of quotas, duty, or tax.

§ 146.44 Zone-restricted status.

(a) *General.* Merchandise taken into a zone for the sole purpose of exportation, destruction (except destruction of distilled spirits, wines, and fermented malt liquors), or storage will be given zone-restricted status on proper application. That status may be requested at any time the merchandise is located in a zone, but cannot be abandoned once granted. Merchandise in zone-restricted status may not be removed to Customs territory for domestic consumption except where the Board determines the return to be in the public interest.

(b) *Application.* Application for zone-restricted status will be made on Customs Form 214.

(c) *Merchandise considered exported—*

(1) *For Customs purposes.* If the applicant desires a zone-restricted status in order that the merchandise may be considered exported for the purpose of any Customs law, all pertinent Customs requirements relating to an actual exportation shall be complied with as though the admission of the merchandise into zone constituted a lading on an exporting carrier at a port of final exit from the U.S. Any declaration or form required for actual exportation will be modified to show the merchandise has been deposited in a zone in lieu of actual exportation, and a copy of the approved Customs Form 214 may be accepted in lieu of any proof of shipment required in cases of actual exportation.

(2) *For other purposes.* If the merchandise is to be considered exported for the purpose of any Federal law other than the Customs laws, the port director shall be satisfied that all pertinent laws, regulations, and rules administered by the Federal agency concerned have been complied with before the Customs Form 214 is approved.
